Chapter/Affinity Group: UK&I CSC chapter
Reported by: Chapter Chair

IEEE
United Kingdom and Ireland Section

## *Key Achievements & member services in 2022*

- Successful bid to host the IEEE Conference on Control and Technology Applications (CCTA), 2024. (2nd largest conference in control – with an average attendance of 300 delegates)- Fully sponsored by IEEE CSS.
- Organisation of the International conference on CApacity building in the Renewable Energy Sector (I-CARES)2022

## *Plan of activities for 2023*

- Webinars and online lectures are being organised and recorded.
- Change in CS committee membership because of lack of involvement of some committee members.
- Next Committee meeting in Jan 2022.
- Planning and organisation on IEEE CCTA 2024.
- Technical Sponsorship of EFEA 2022. (To be held in Mauritius - increase membership in that region)
