Fables, Facts, and Futures,  
Threat, Promise or Saviour

***The fundamentals; what we  
know for sure; what we don't  
know; and the big surprises!***

***Suitable For: Those who  
need to understand the basis  
and potential of this game  
changing tech including:  
university, college and 6 form  
students; lecturers, teachers  
and people in industry***
