

Chapter/Affinity Group: Communication and Control CC  
 Ireland Chapter  
 Reported by: Kang Li

**Key Achievements and member value/services**

Co-sponsored ICUMT 2019, and organized a two-day workshop featured with over 10 keynote speeches and an early career researcher workshop, attracted over 100 delegates.

**Current plan of activities**

- Technical co-sponsorship of a summer workshop in June 2020 by Christos Masouros, UCL
- Technical co-sponsorship of LSMS-ICSEE 2020 workshop
- Election of new officers for the chapter

**Focus areas (2020-2021)**

Goals	KPIs	Challenges to reach KPIs/ Resources
Increase of number of events, online events	Number of events	Uncertainty due to COVID-19, need to elect new officers
