

Chapter/Affinity Group: UK and RI Magnetics Chapter
 Reported by: Nicola Morley

Key Achievements and member value/services

- One IEEE magnetics DL lecture tour (Jan 2020)

Current plan of activities

- Re-arrange the Wohlfarth Lecture (online?)
- AGM (when it is safe to)
- DL's visits (when it is safe to)

Focus areas (2020-2021)

Goals	KPIs	Challenges to reach KPIs/ Resources
Wohlfarth lecture	Making this happen	Need to sort out a way to have it as a online seminar
DL's 1-day meeting	More than 20 attendees	Until the international lock down is lifted, it is uncertain whether this will happen
