

Key Achievements and member value/services

- AESS DL Radar Systems Virtual Talks
- Seminars

Current plan of activities

- Invited speaker Prof. Alfonso Farina – Visiting Prof. UCL (Nov 2020)
- Seminar – University of Strathclyde speaker (Nov 2020)
- Face 2 Face Event in 2021 at UCL when allowable

Focus areas (2020-2021)

Goals	KPIs	Challenges to reach KPIs/ Resources
Growth of chapter members	Double membership	Need to demonstrate value + find opportunities to recruit
Increase events (virtual OR f2f)	Actively engage with international speakers to arrange events	Aim to engage via EMSIG community which has representatives from Industry/Academia/Government that work in Radar sensing.
