

Chapter/Affinity Group: IEEE UK and Ireland Section Chapter,
 Portsmouth Chapter
 Reported by: Zhaojie Ju - Chair

Key Achievements and member value/services

- Hold joint meetings with Tokyo Chapter and Indonesia Chapter
- Hold technical seminars/webinars during Covid-19
- Hold and support several international conferences, such as ICRR2020, CCS2020, ICIST2020

Current plan of activities

- Organize and support academic conferences and workshops
- Collaborate with other SMC chapters for joint activities
- Seek support for student membership fees

Focus areas (2020-2021)

Goals	KPIs	Challenges to reach KPIs/ Resources
Conferences & Events	Increase attendance and awareness of the Chapter activities	COVID-19 IEEE Support on virtual events
Membership/Affiliates	Increase more members	Membership fees
Joint chapter activities	Increase the common interest and activities	COVID-19 No travel (Limited to virtual communication, less interest to members)
