

Key Achievements & member services in 2020

- Recruited new co-chair
- Successfully partnered with EMSIG for virtual events in the UK. These have strong turn out.
- Seminars
 - Prof Hugh Griffiths – Passive Radar
 - Prof. Alfonso Farina - The role of multi-target tracking radar in surveillance systems – Part I & II

Current plan of activities for 2021

- Grow membership base in the UK
- Plan towards the first face to face meetings
- Host several virtual seminar events with international speakers.

Focus areas (2020-2021)

2020 Goals	2020 KPIs met?	2021 Goals	Challenges to reach KPIs/ Resources
Growth of chapter members	Membership did increase but not the doubling goal	Create strong committee for chapter	Engaging with new members under remote conditions
Increase events (virtual OR f2f)	Did increase virtual events which allowed for remote attendance but still room for more events.
