

Key Achievements & member services in 2022

- Organized 3 ComSoc VDL lectures
- Technical support/sponsorship of IEEE conferences (Participation and support for RTSI 2022 in August)
- STEM for Britain” at House of Commons in Feb 2022

Plan of activities for 2023

- Arrange DL series (f2f) and VDL (jointly with other chapters)
- Continue to participate IEEE in “STEM for Britain” at House of Commons
- Expand to non-DL talks across UK
- Explore opportunities for industry led training and knowledge exchange opportunities
- Continue Support IEEE ComSoc Student Prizes in 2023

Focus areas (2022-2023)

2022 Goals	2022 KPIs met?	2023 Goals	Challenges to reach KPIs/ Resources
Increase the visibility of IEEE ComSoc event nationally and members	3 VDL talks, STEM for Britain (in person event, Feb 2022). 1 more planned in November.	Maintain the national visibility	N/A, the Chapter has resources to support activities
Student member support	Currently on hold for this year due to transfer of financial signatory.	Expanding the DL talk series and non-DL talks with coordination of other chapters	<ul style="list-style-type: none"> • Competition from other Region 8 ComSoc Chapters • Online platform make application more difficult for regional scheduling
Bid for IEEE ComSoc Summer school	Bid for ComSoc Summer School 2023 not successful	Explore opportunities to bid for ICC, PIMRC and GLOBECOM events	Strong competition from other countries, timing of the conferences, weather etc.
