

Chapter/Affinity Group: PES Chapter
 Reported by: Eduardo Audiche

Key Achievements & member services in 2023

- So far in 2023 we have delivered 19 technical talks including 7 DLP events.
- Best PhD Thesis Competition Award 2023
- We were awarded PES Outstanding Chapter 2022 (Large Category)
- High Performing Chapter Award (US\$ 880.00)
- In August we had a DLP talk with every PES President Elect Candidate (One every week – three in total).
- Two articles from our events have been published in the Region 8 News Magazine. A third one will be published in December's edition.

Plan of activities for 2024

Next Events in 2023:

- Manchester Energy and Electrical Power Systems Symposium MEEPS 2023: “Navigating the Energy Transition: Challenges and Solutions”. 3rd November
- HackSheffield – 11th & 12th of November
- Annual General Meeting (AGM) to be held on 5th December at University of Birmingham

Plan for 2024

- We have set a goal of at least 20 Technical Talks in 2024.
- Carry on with the WiP Mentoring Programme
- Best PhD Thesis Competition Award 2024 to be launched in January 2024.
- Promote Senior Member elevation
