

IEEE PELS Society UK & Ireland Chapter

BEST Doctoral Thesis Award

2023 2nd Call

This award recognises PhD students who have written an outstanding doctoral thesis that represents a remarkably impactful contribution in the general area of power electronics research. The award is open to all relevant PhD students whose PhD was awarded by a UK or Ireland institution, between **1 January 2021 and 31 December 2023**.

NOMINATION PROCESS

- The thesis should be nominated by the main supervisor and a referee from another organisation (preferably the external examiner).
- Each supervisor can nominate two PhD students maximum during this selection period.
- Nomination deadline is **31 May 2023**. The outcome will be announced by **31 August 2024**.

PRIZES

Each award consists of a certificate from the IEEE UK&I Chapter, £400 for 1st Prize; and £300 for 2nd Prize; including cash and/or IEEE membership fees. The prizes will be awarded to the winners during the IEEE UK&I Chapter Annual Meeting and announced publicly on the IEEE UK&I Chapter website.
